ポケットモンスター

キミにきめた！

第3話

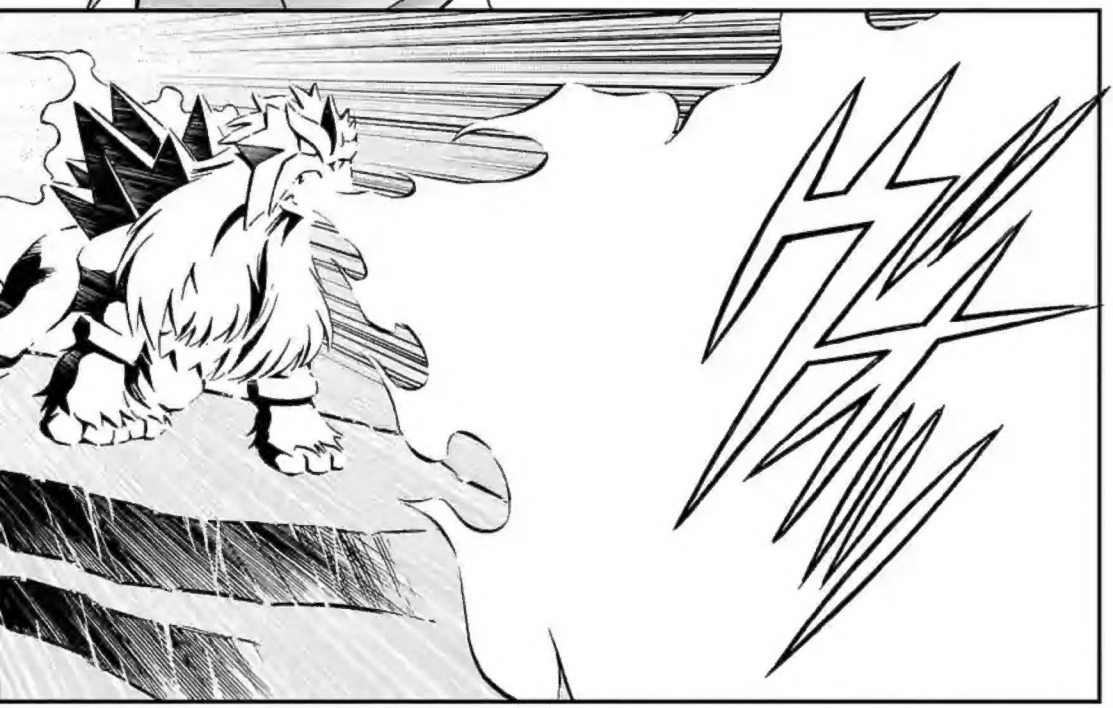
Pikaaa!
Let's go, Pikachu!
The ones who will get Entei are us!

Pocha!!!
I won't lose to you!
Let's go, Pochama!

I'm going first!
I'm going first!

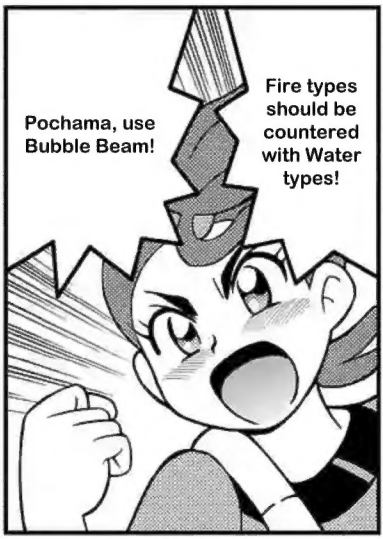
Out of the way!
Don't butt in!

ギャーギャー
わーわー



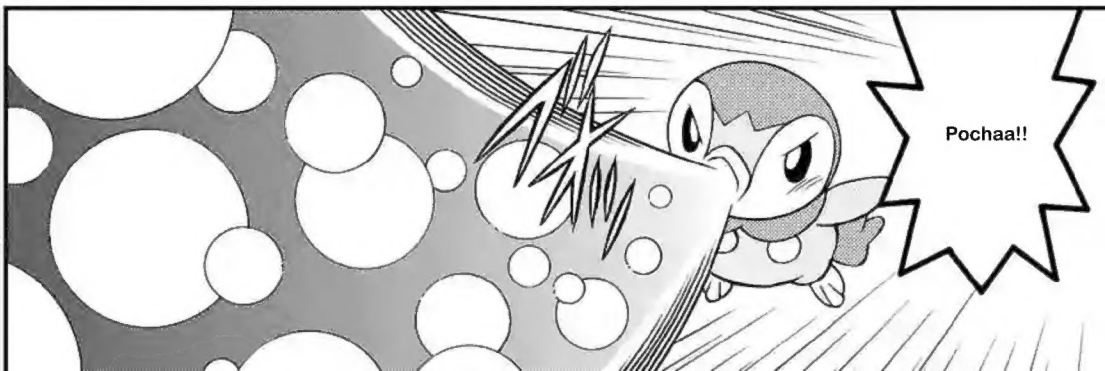
That's Flamethrower!!
!!

Whoaaa!!



Pochama, use Bubble Beam!
Fire types should be countered with Water types!

Hot, hot, hot, hot, hot!!

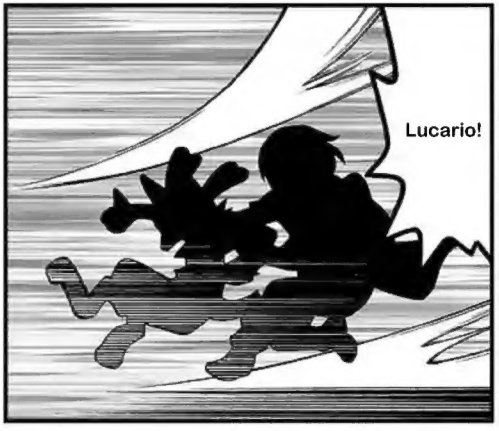


Pochaa!!

Pikaa!
Thunderbolt!
Pikachu!
It... It jumped away!!
Whoosh!

That's "Stomp"!!

Gah!!



Lucario!

Eeeeek!!

But the real battle starts now!

Its power is on a whole different level!
That's a legendary Pokémon for you!

Pika...

Huh...?

IT'S YOUR FAULT IT RAN OFF!!

Entei left.....

If you hadn't been in the way, I would've been able to get it!
You're the one that was in MY way!!
This is exactly why I told you to get out of the way!!
You wanna fight or something?

Let's settle this with a battle!
Sounds good!
I'm Satoshi from Masara Town.

I'm Makoto from Futaba Town!!
Bring it on.

"Beaten me"?! As if!!
Hey, you over there!
Once I've beaten this kid, it's your turn!

I'm Soji from Tobari City.
And I'll pass on that battle.

I'm fully content with how things turned out.
All I wanted was to see Entei with my own eyes.
Let's battle!
Running away?

However, be advised that...
...a storm will arrive here soon.....
Go search for shelter somewhere.

A storm.....?

All right, let's get started!
That suits me just perfect!

Pochama!
Hydro Pump!!
Dodge it,
Pikachu!!
Whoosh

No... That's not a rock.

ゴゴゴ

The rock is moving?

ゴゴゴ

It's an IWARK!!!

Pocha.
Pocha.

Pocham-
aaaa!!

Ugh!

Pocha!!

Run awaaaaay!!
Ru-
ドドド

What's this shaking?
Huh...?
Aw geez...
Where IS that Entei?
...Entei is coming this way?
Maybe...
Oof!!
This feels bad!!
This...

The cliffs are forming a dead end right in front of us!!
Pi, Pikaa!!
ドドド
I don't know and I don't CARE!
Did something just fly off right now?!
That'll be dangerous for the Iwark, too!
ドドド
Huh?!
Screech

STOP!!
!!
Please accept this apology and calm down.
Iwark, I'm sorry we startled you.

Wow...!
Pika...!
.....
ズ ズ ズ ズ ズ
Iwark.....

ゴゴゴゴゴゴゴゴ
Phew, now we're safe.
Pikaa!

Sheesh, you're really reckless!

Huh...?
Nothing!
But I guess my opinion of you just improved a tiny bit.
